Judge Darrow,

This weekend I opened the paper and saw a picture of Mr. Ray on the front page. I diverted my eyes and continued reading the rest of the paper. This morning on page 2 I saw a headline that said "expert witness allowed to testify in sweat lodge case". I realize that I am to divert my attention, switch radio stations or walk away from any mention of this case, but you had asked us to notify you when we were exposed to such things. My question is, how trivial of an exposure do you want to know about?

Sincerely,
